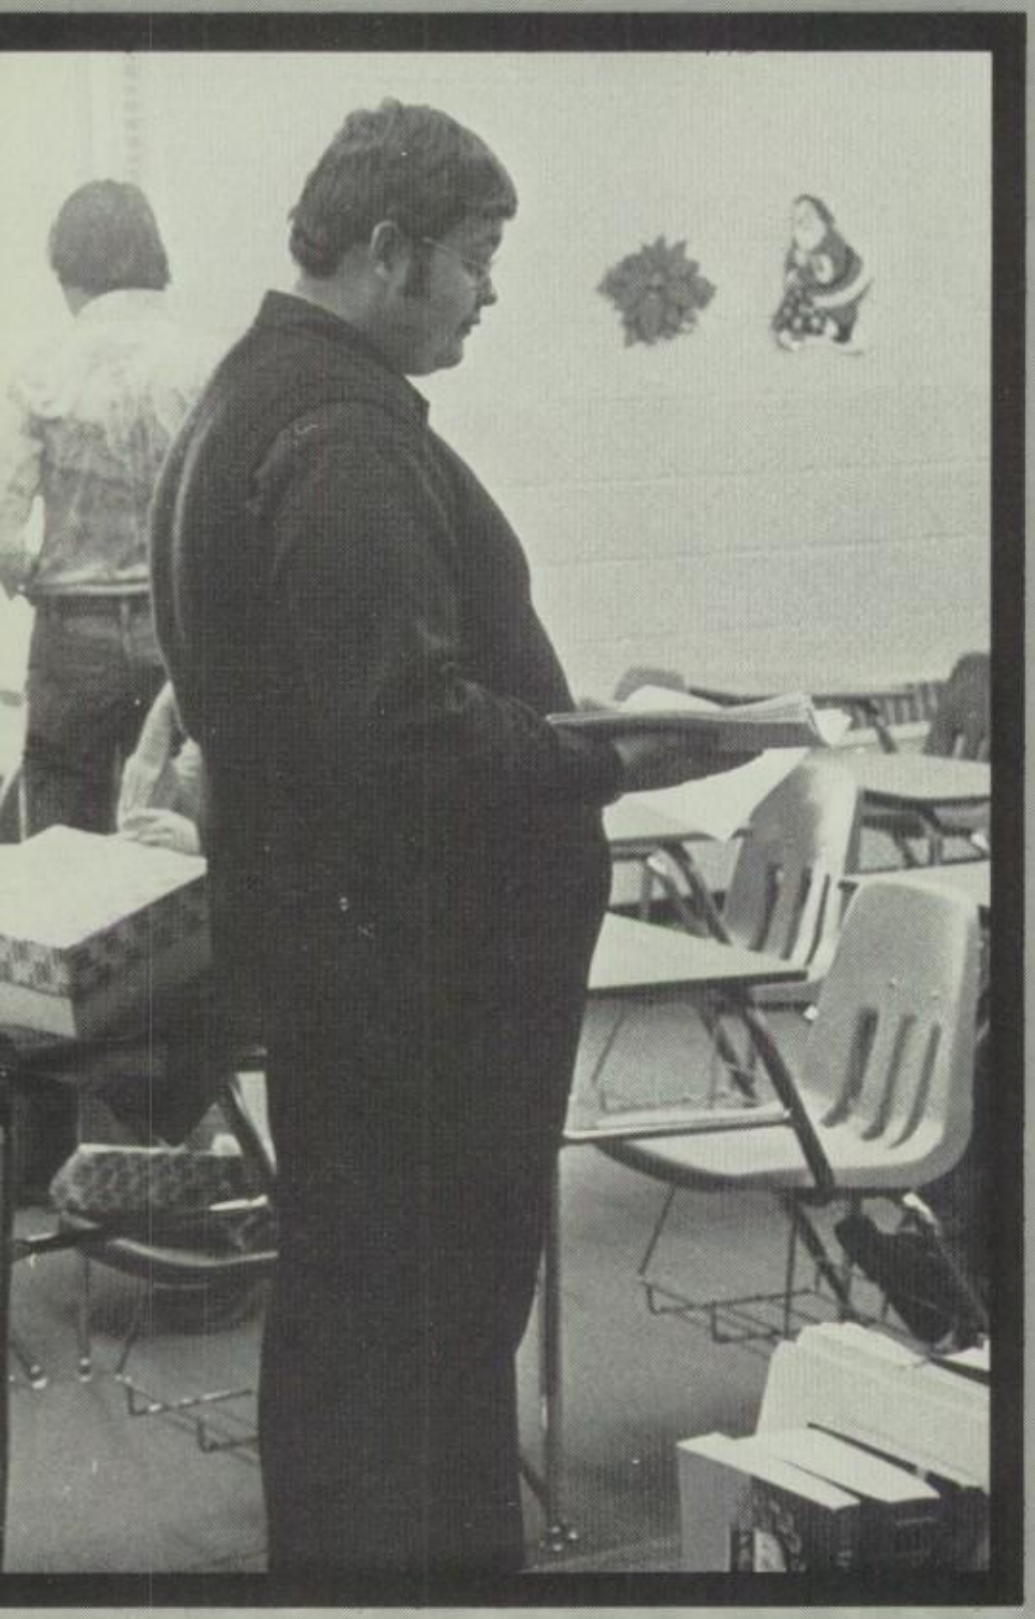
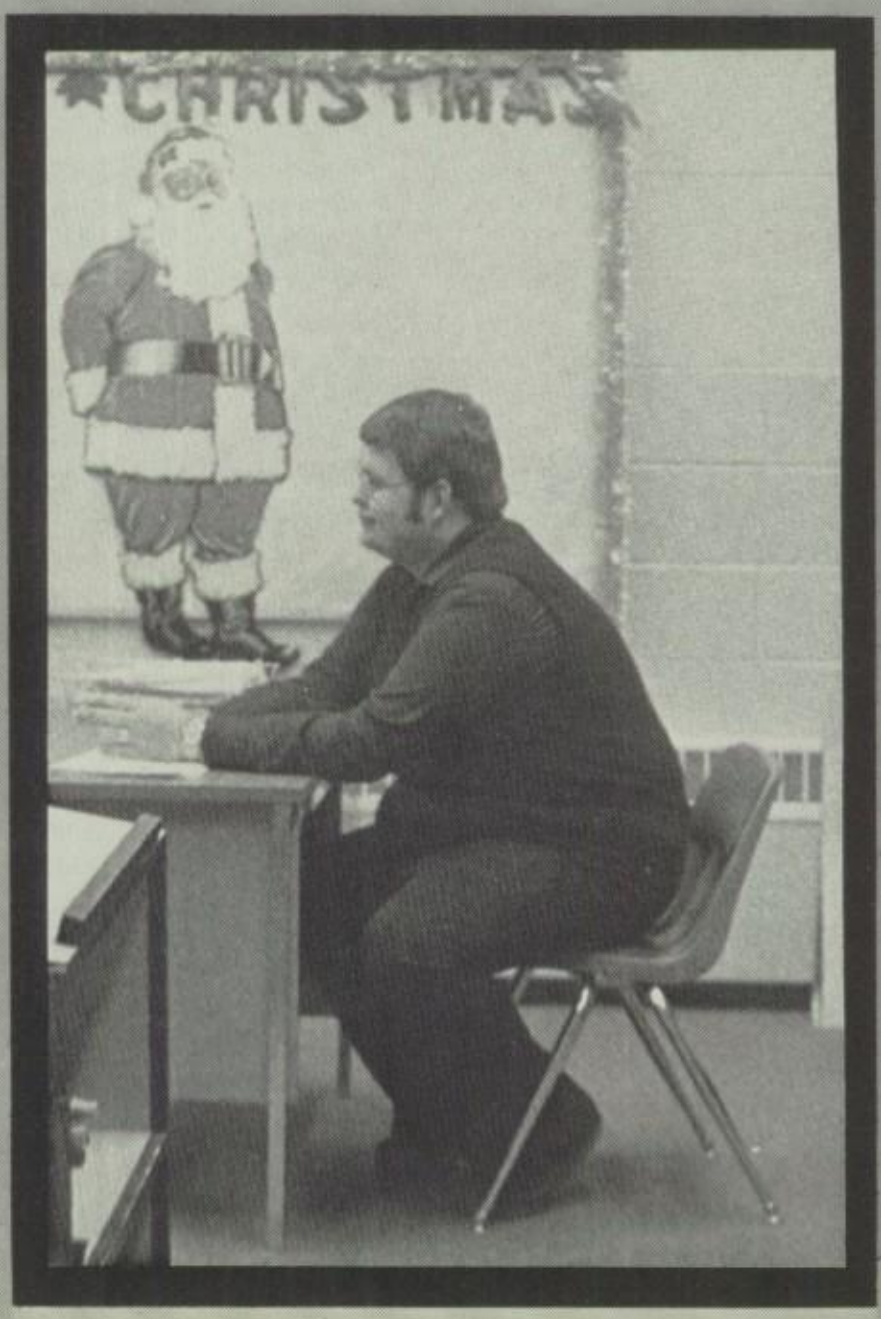
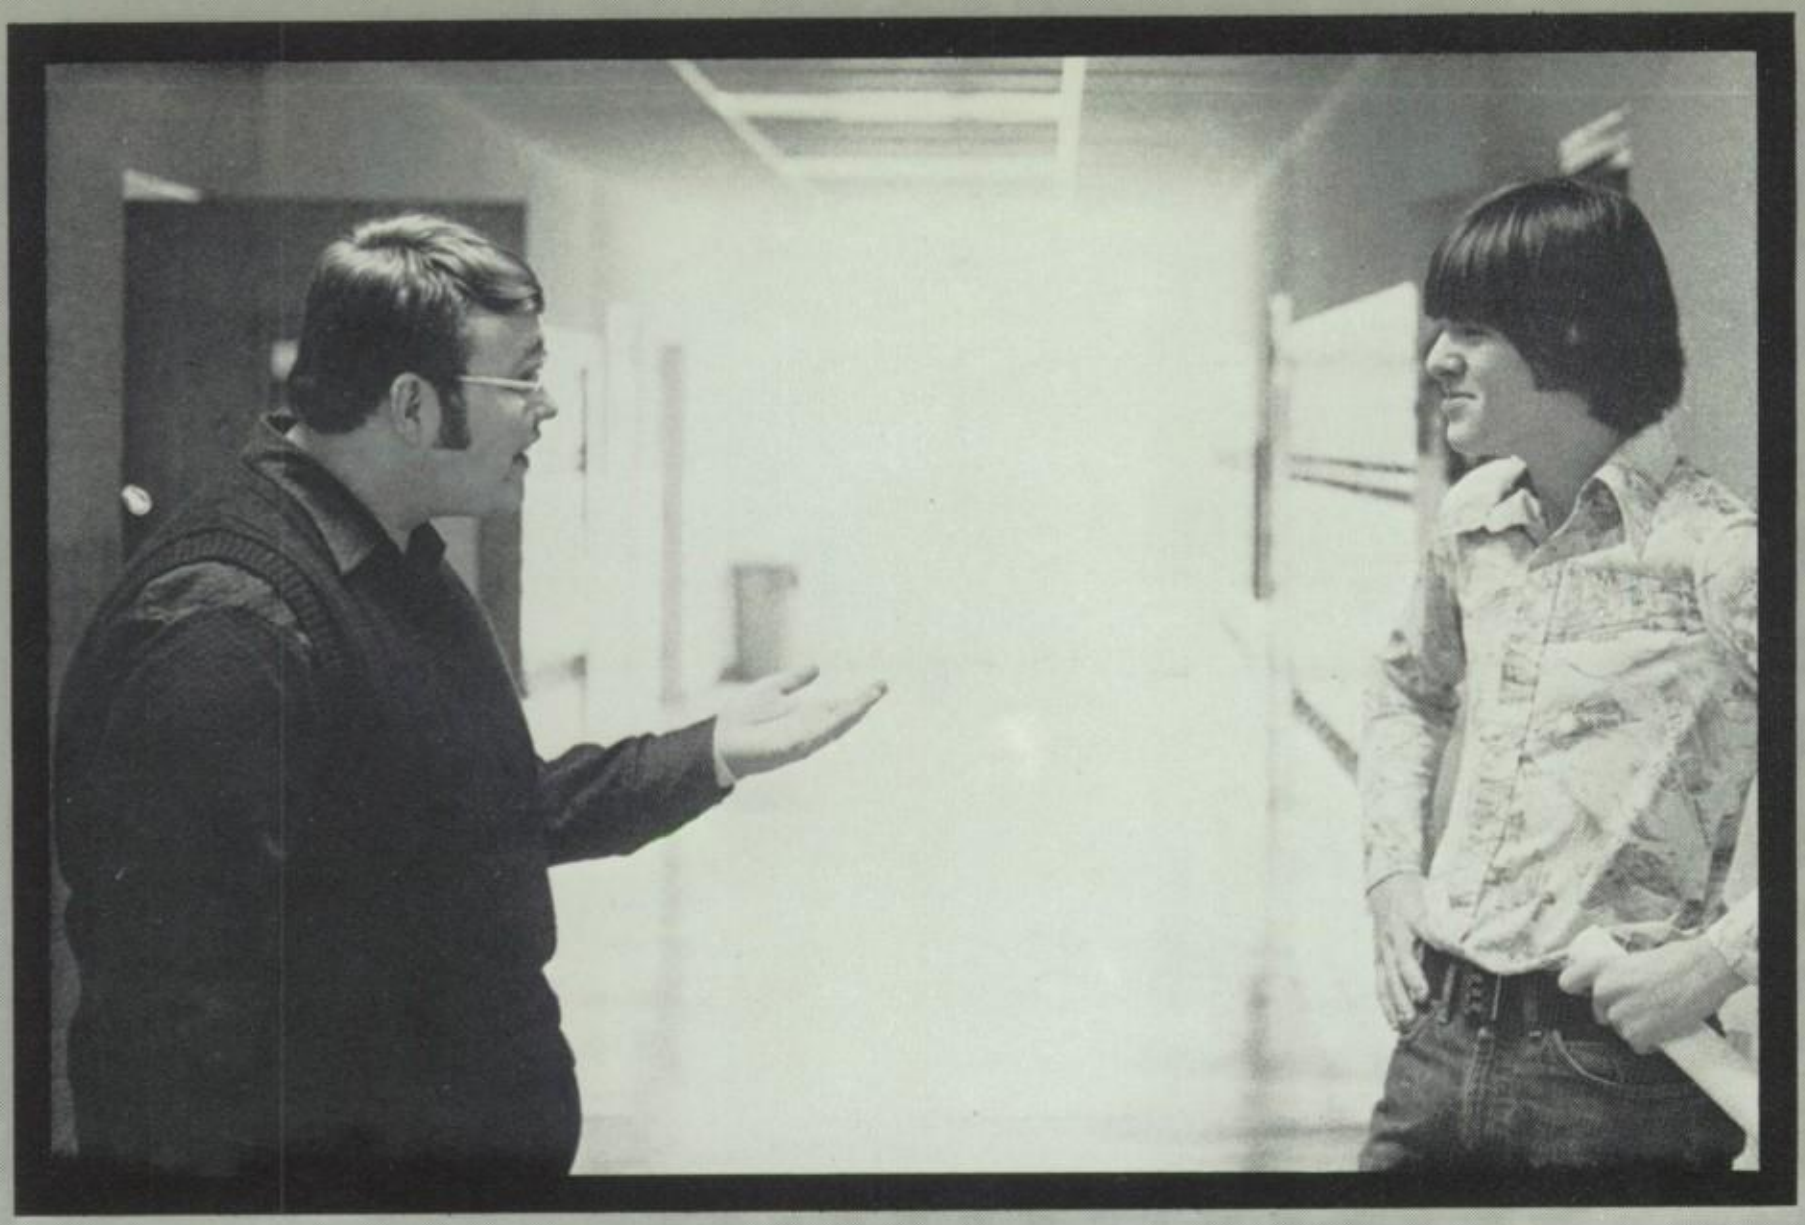
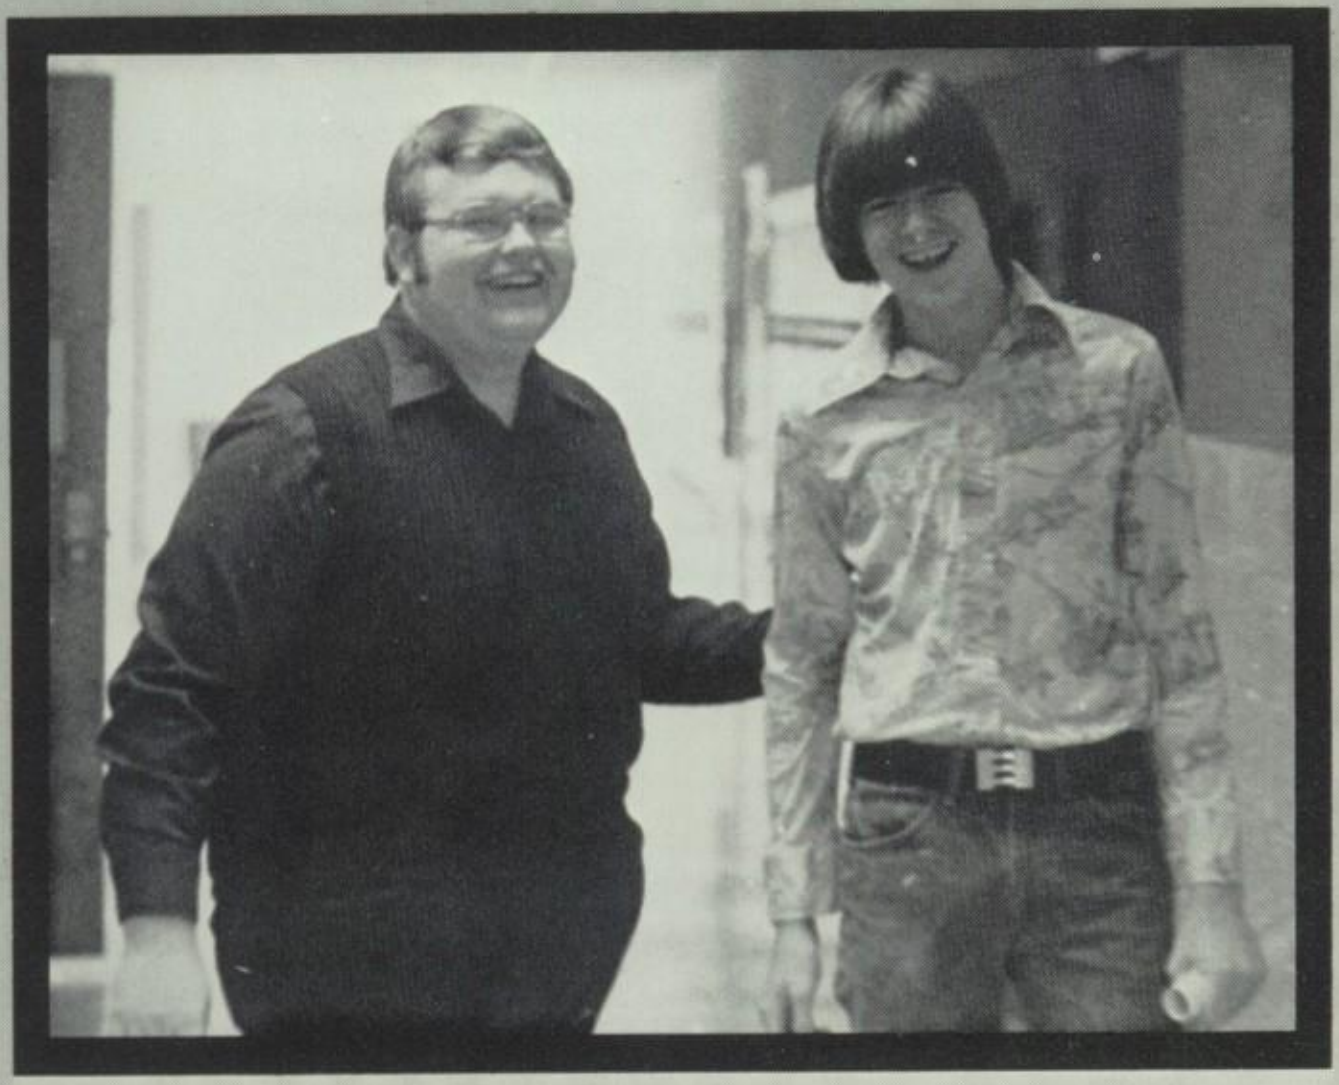
Dedication:
Mr. Brock







Mr. Jim Brock is one of the most well-loved teachers at Harding Academy. Whenever something is going on at school, you can be sure that Mr. Brock will be there. Besides teaching speech and forensics, Mr. Brock is sponsor of the Shield and the Forensic Team. But Mr. Brock is more than just a teacher and sponsor. To the many students that he is involved with, he is a friend, someone to go to for any kind of help. Mr. Brock is always laughing and always there to lend a helping hand, and he genuinely cares about his students. At almost any time of day you can find Mr. Brock surrounded by a group of laughing students or teachers. Mr. Brock is a fantastic individual, and it is with great joy and gratitude that the 1976 Shield is dedicated to him.



We Love You, J. B.

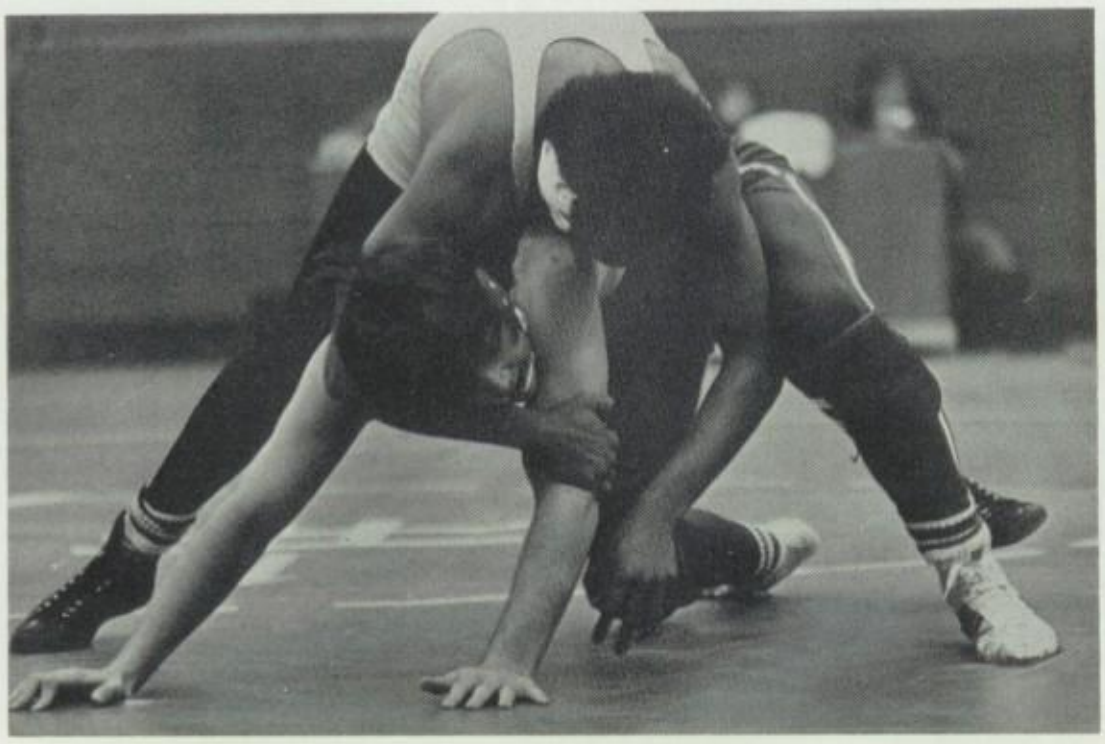
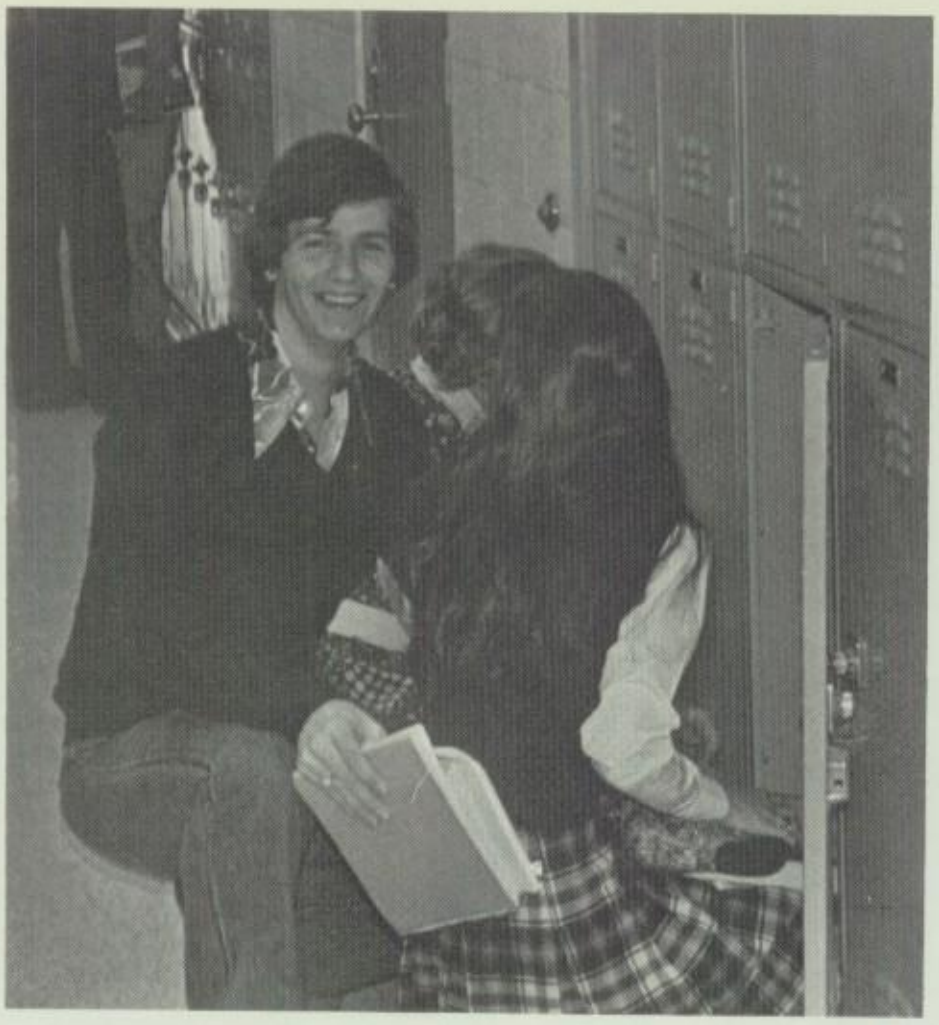
More Than Competing,





And More Than Being Involved.

Student Council

One of the purposes of the 1975-76 Student Council was to unite the students and faculty in the "Spirit of Harding Academy." On the first day of school students were greeted with signs showing the Student Council's theme for this year, "Roaring to Go!!!" The Student Council initiated another new project, the Big Brother-Sister program. The annual Kick-Off and Food Basket program were participated in very enthusiastically by students and faculty alike. The Student Council would like to thank all students and faculty for their participation and support.

National Honor Society

National Honor Society is a society of especially chosen people who have maintained a "B" average or above and have shown qualities of leadership, service, and character.

The membership of this year's NHS was the largest ever, comprising 70 juniors and seniors. The activities for 1975/76 got off to a slow start, but by the second semester things were running well. The members have started a new service project: tutoring freshmen who are failing.

Lion Staff

All the paper editors of the 1975-76 "LION" staff made a real effort to put out a good paper. Sometimes we had problems but we always attempted to get the paper out on time. Beth Thomason worked hard this year and without her efforts, the paper would never gotten out on time. We hope that the paper has been satisfactory to all.

This year's Key Club has been in charge of many service projects this year, including the Walkathon and Bikeathon for just about every charity. They also sponsored a Inner-Club meeting for all the Clubs in the city. They attended the District Convention in Lake Charles, Louisiana in April. From sponsoring the Junior High Boy's Athletic Banquet to working on the set for ARSENIC AND OLD LACE, the Key Clubbers displayed their varied talents.

The Civinettes started the year off right with numerous devotionals and a slumber party. In this way they grew closer to God while growing closer to each other. To raise money for a Christmas party for underprivileged children, for the athletic fields, and other service projects, the Civinettes sold fruit cakes at Christmas and worked in the Key Club concession booth during basketball season. During both basketball and football seasons, they kept a hospitality room for Harding and visiting faculty. A special induction service was held for all new members and at the end of the first semester three honorary members were chosen: Patricia Starks, Nancy Fowler, and Harriet Sayers.

The Spanish Club has been involved in a variety of activities but worked mainly to raise money to go to Spain. They have had bake sales and rented the movie, THE STING, to be shown in the auditorium. They organized a Circulo de Espanol and chose Lee Mangum as President of the club.

French Club

The French Club, under the direction of Miss Bettye McSwain, sponsor, Sandra Tate, Vice-President, and Penny Davidson, President, has been involved in many activities.

During the Halloween Carnival, they held a fortune telling booth with Sister Lorett and Sister Olivia presiding.

On December 14th, a party was at Miss McSwain's apartment. Through the spilling of coke and the slinging of rotelle dip, everyone who came really had a blast.

The club held many bake sales and planned a weekend excursion to New Orleans.

For their first project of the year the Home Economics Club raised three hundred dollars for Agape by selling cookbooks. During the Christmas season, they had a Christmas party at the School for the Blind and sang carols for Senior Citizens. Later in the year, they held a mascarade party for St. Jude's Children's Hospital and visited the Fontaine House.

In recent years the Quiz 'Em Team has progressed to the semi-finals and their goal this year is to win the title. They compete with similar teams from other schools in the Mid-South area. We really appreciate the hard work and time each member has contributed in making this a great team. Each member must spend hours studying the COMMERCIAL APPEAL so they will know the answers to questions they are asked on television; therefore, every member must be dedicated.

The CAO took an exciting trip to Washington D.C. and was able to see first-hand many of the documents and places which were in the news! Also, the organization attends speeches of notable personalities, such as the lecture by Robert Pierpoint concerning his relationships with the Presidents. By participating in this organization one is able to understand and interpret the events which shape the world scene. CAO members become more aware of the world around them.

During the 1975-76 school year the pep club has really boosted the school spirit. Under the leadership of Penny Davidson the football and basketball seasons got off to great starts! The Club worked really hard in planning the Lion's Den, painting signs for each game, and raising money. The annual Homecoming Party was a great success because of the hard work and time put into it by the club. The Pep Club never let the school spirit drag along but was constantly planning something new. The Pep Club would not have been such a success without the help of its sponsors, Mrs. French, Miss Mitchell, and Mrs. Phillips.

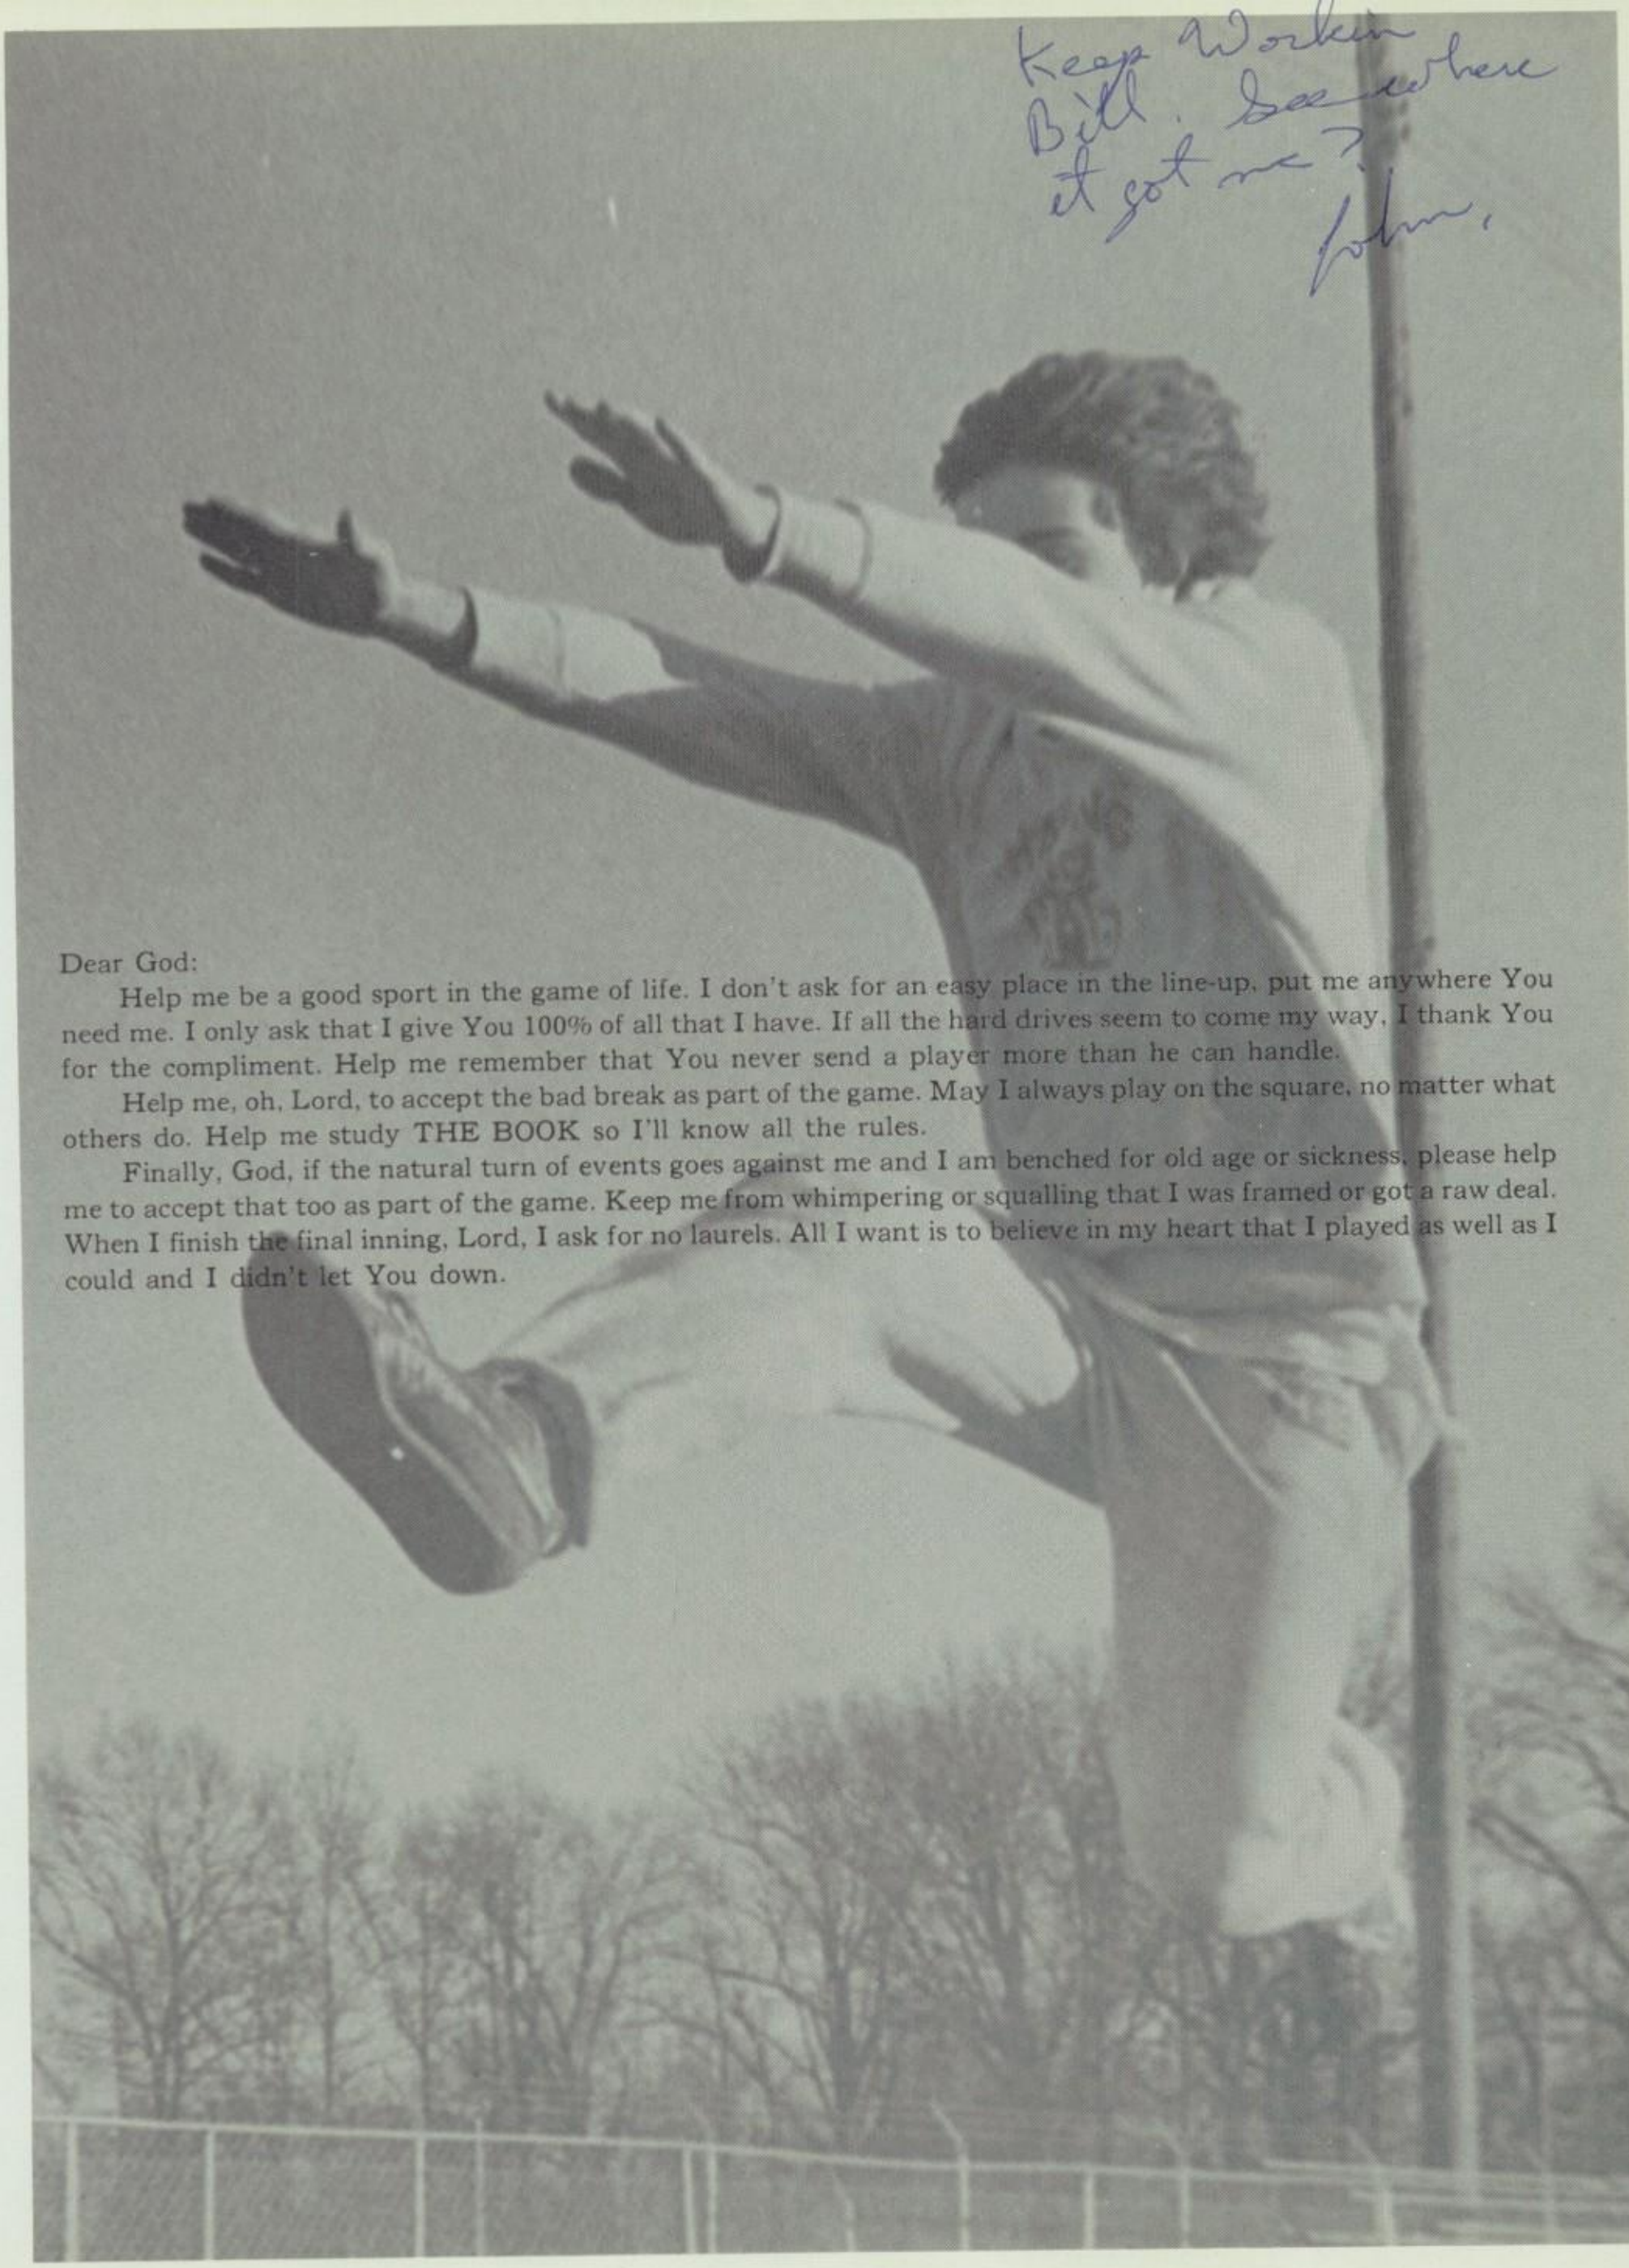
The Freshmen warm up before playing Briarcrest.

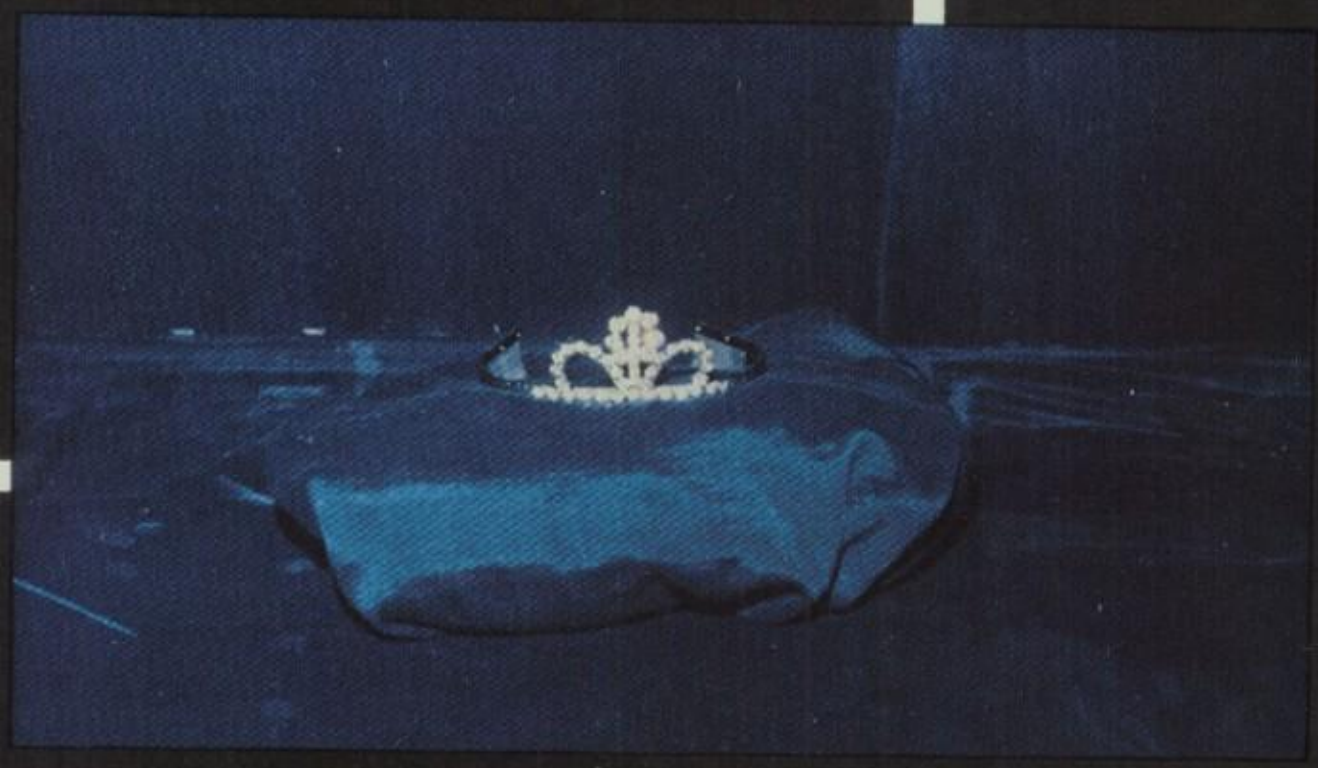


Dear God:

Help me be a good sport in the game of life. I don't ask for an easy place in the line-up, put me anywhere You need me. I only ask that I give You 100% of all that I have. If all the hard drives seem to come my way, I thank You for the compliment. Help me remember that You never send a player more than he can handle.

Help me, oh, Lord, to accept the bad break as part of the game. May I always play on the square, no matter what others do. Help me study THE BOOK so I'll know all the rules.

Finally, God, if the natural turn of events goes against me and I am benched for old age or sickness, please help me to accept that too as part of the game. Keep me from whimpering or squalling that I was framed or got a raw deal. When I finish the final inning, Lord, I ask for no laurels. All I want is to believe in my heart that I played as well as I could and I didn't let You down.



Miss Harding

Kay Batey

During her twelve years at Harding, Kay Batey has won the admiration and respect of the entire student body and faculty with her characteristic exuberance and willingness to serve others. For the past six years, Kay has served as a cheerleader and this year she was captain of the squad. She has also shown outstanding leadership in her role as secretary of the student council. Kay has worked diligently in all that she has attempted to do and has possessed a wonderful Christian character, which has been inspiring to all who have known her.

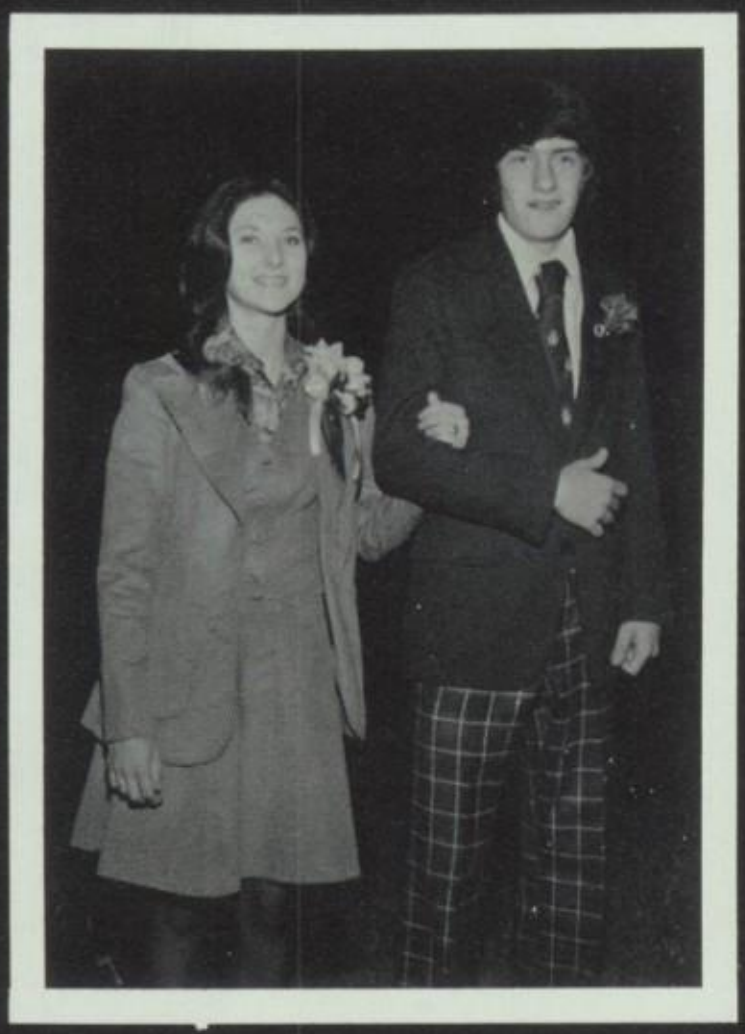
Mr. Harding

Vann Kissell

Mr. Harding, Vann Kissell, is an outstanding individual in many ways. His warm outgoing personality has made him a favorite among his fellow students. In athletic competition, his accomplishments are awesome. He was the outstanding defensive football player in the 1975 season and was an outstanding leader in track. In the past Vann has served as a class officer and worked hard to promote class unity. These are just a few of the reasons why the student body chose Vann as Mr. Harding.

1975 Homecoming Queen

The 1975 homecoming queen was Trudy Hill. She was escorted by Danny James. Cindy Nichols was first alternate and her escort was Bob Fowler. The second alternate was Connie Rutherford, escorted by Ted Hansen; while senior representative Melanie Thomas was escorted by Tory Wimbs. The juniors chose as their representative Cindy Cunningham, who was escorted by Rodney Betts. The representative for the sophomore class was Julie Fister who was escorted by Mike McCrary. Keith May escorted the freshman representative Karen Navilio.



The '75 Homecoming festivities were kicked off by the slave sale which was held on Tuesday. Wednesday was Frontier Day followed by 50's Day on Thursday and Red-White-&-Blue Day Friday.

During the week there was competition between the classes. The Freshmen won the hall and float categories; while the Sophomores were victorious in the areas of spirit and skit. The competition was close between all classes but when the points were totaled the Sophomores came up with the most, which made them the winners.

All We Need is YOU.

Making a student body is like a recipe for a superb dish.

Just as it takes many ingredients of different quantities to blend into the desired product, it takes many students of different types from all over the United States and many foreign countries to make the Harding College student body what it is.

Some desire to be teachers, doctors, journalists, preachers . . . some plan careers in business, art, music, speech or social sciences. But each is blended in a Christian environment with Christian teachers and friends, and allowed to become just the proper product for a useful, meaningful, purposeful life.

Won't you be a part?

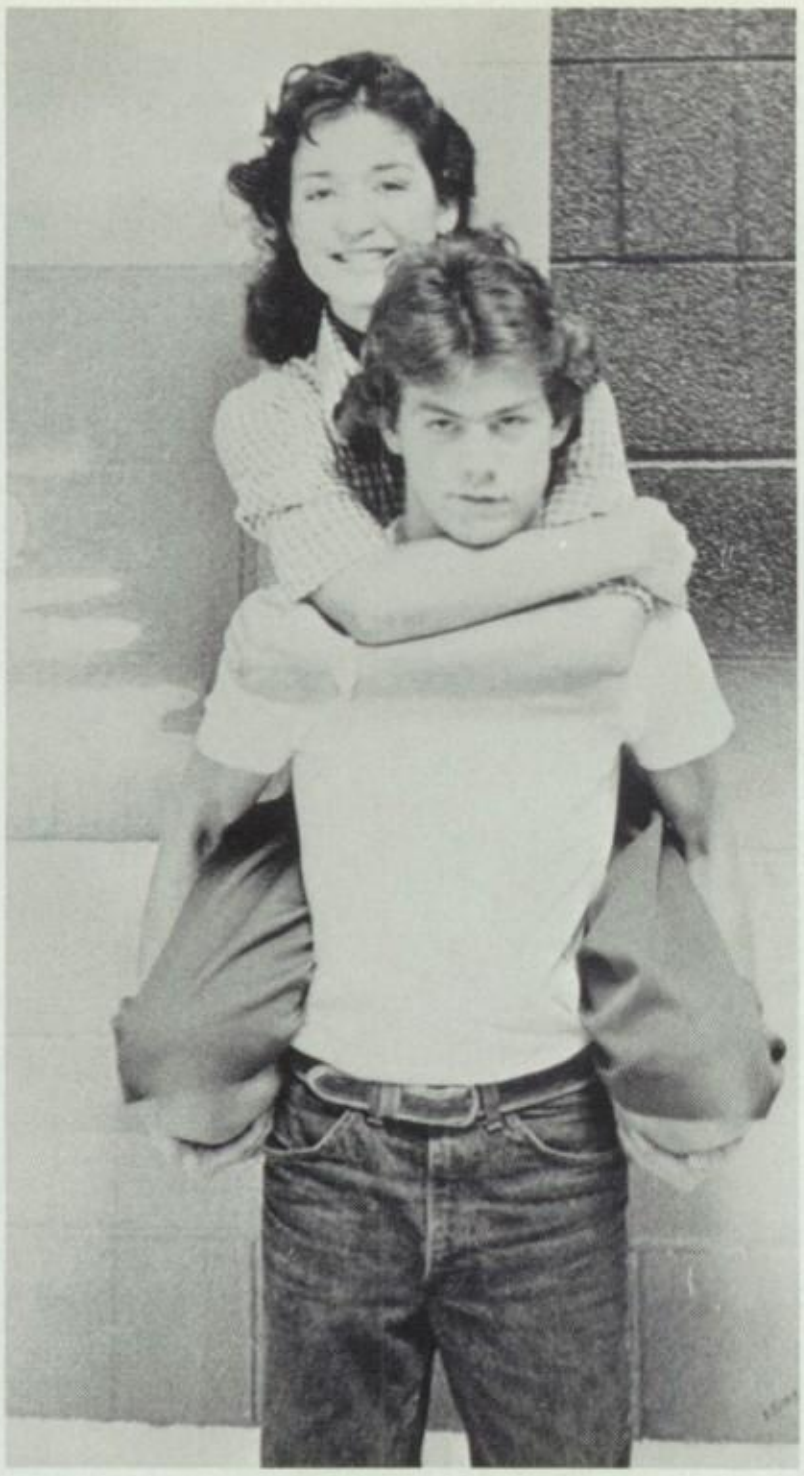
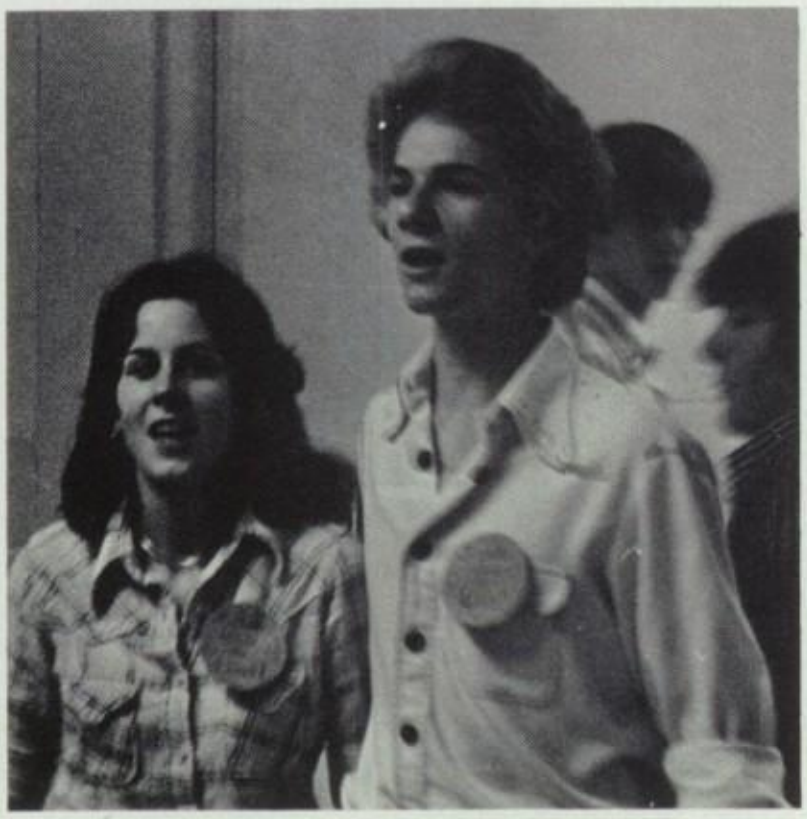
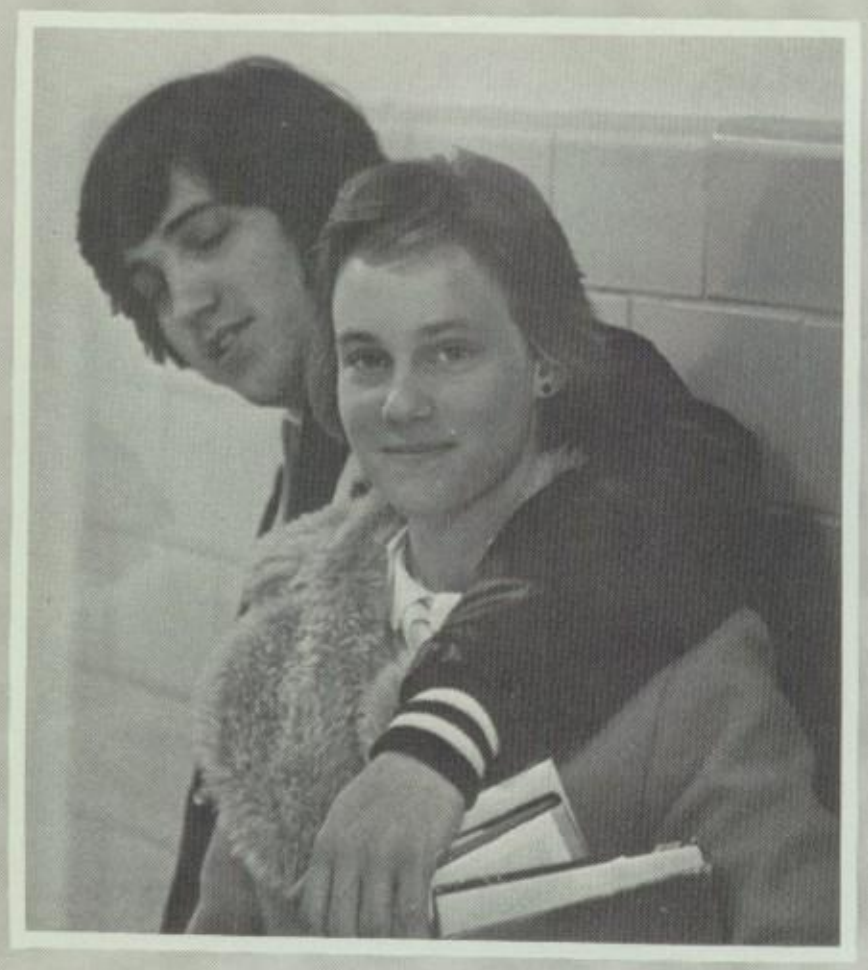
Thank God.

Thank God for those who see into us, through us, and to the self that is beyond ourselves. There have been those few who refused our superficial roles, who have seen beyond our clever chatter; who have waited beyond our preoccupation. Reaching through our facades, which we have very carefully built, they have seen a beauty which we all have, but which, for most of us lies buried deep inside. The beauty was planted there by God. He then touches those few, who through love, touch us. Much of the positive which we do and think is in response to those who have smiled past the shell into the white light. Thank God and thank them, and pray we never stop trying to measure up to what he and they believe we can be.

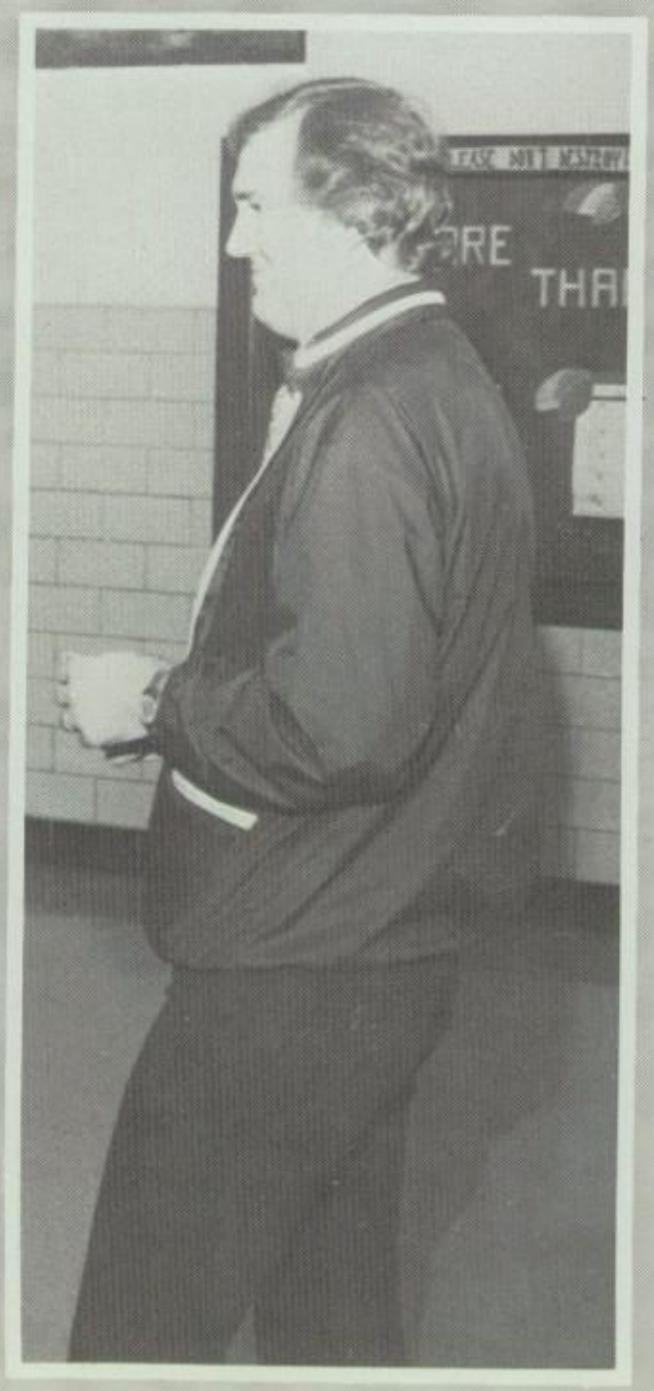
Lois A. Cheney

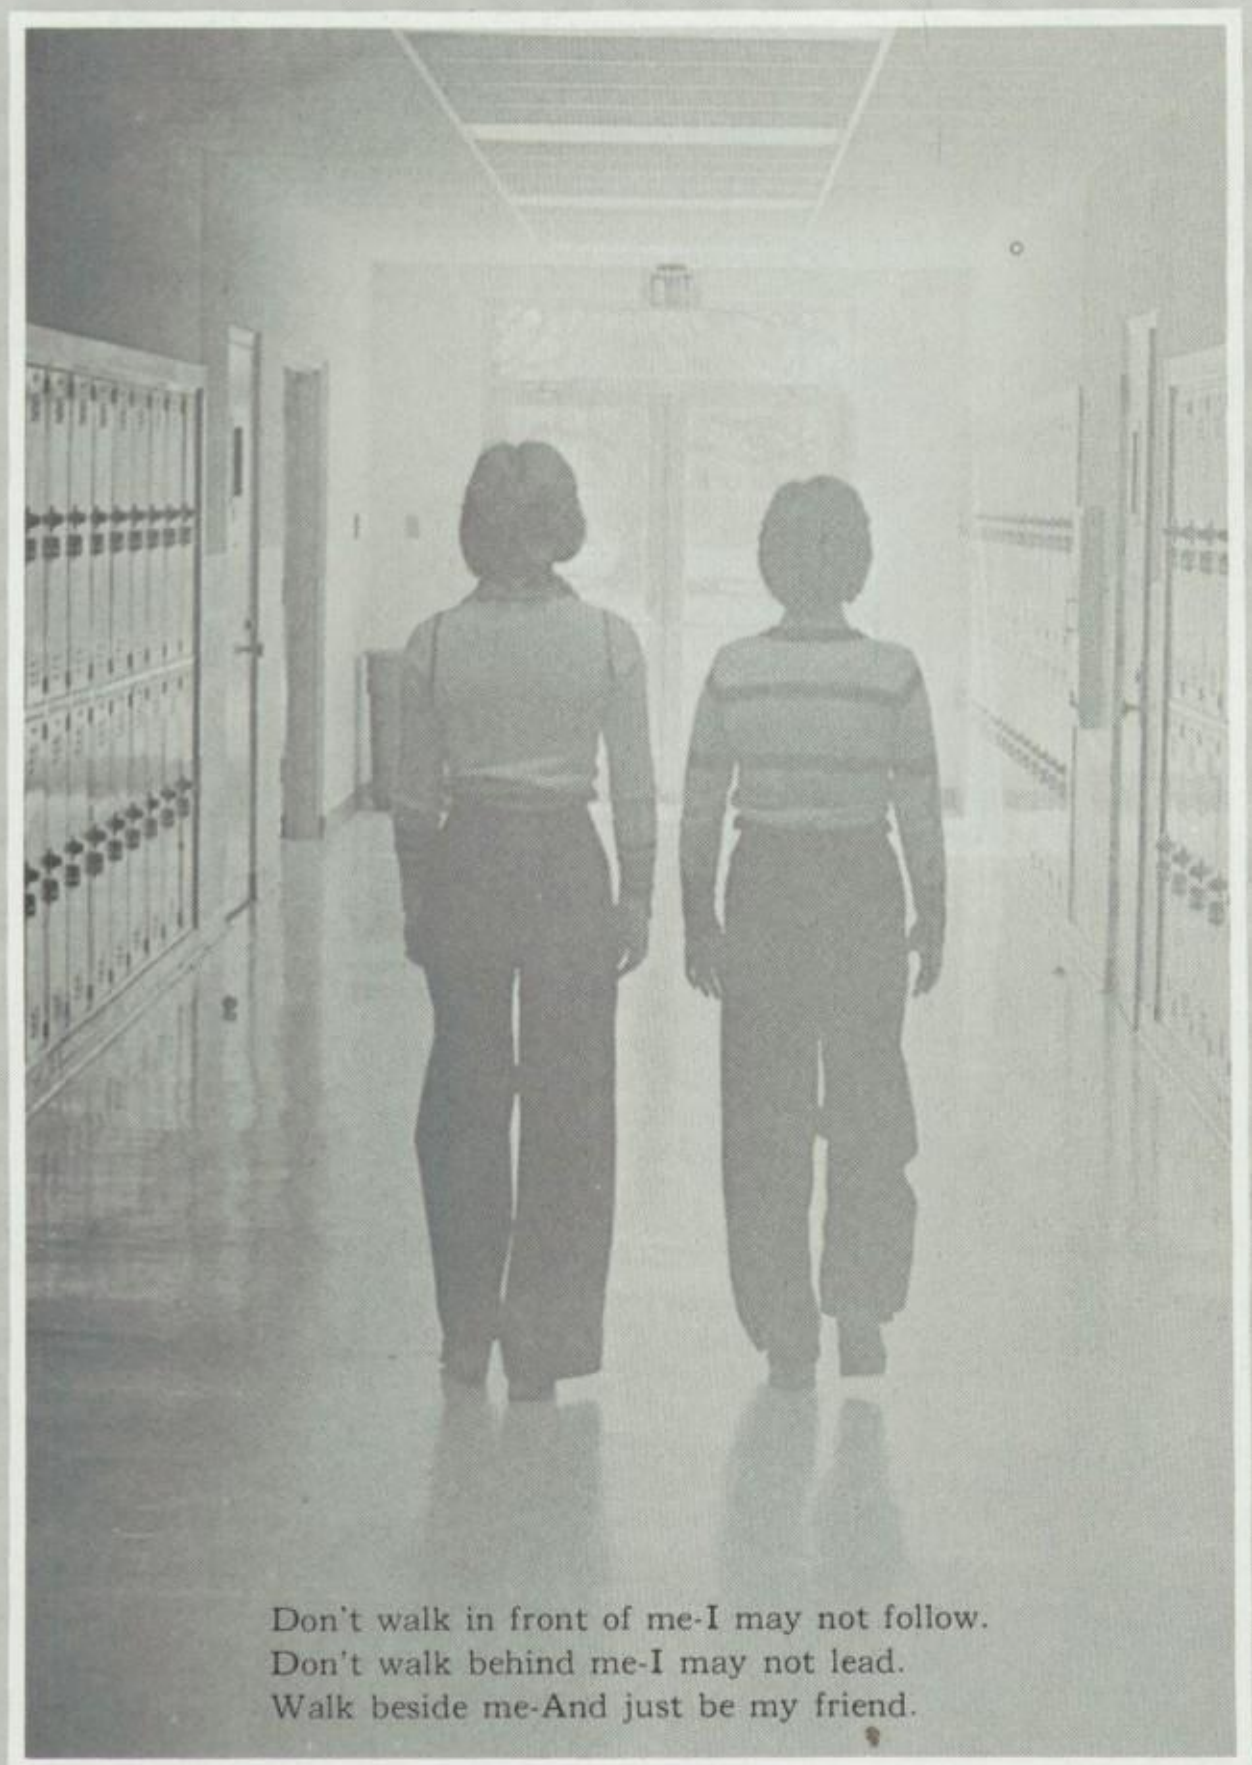






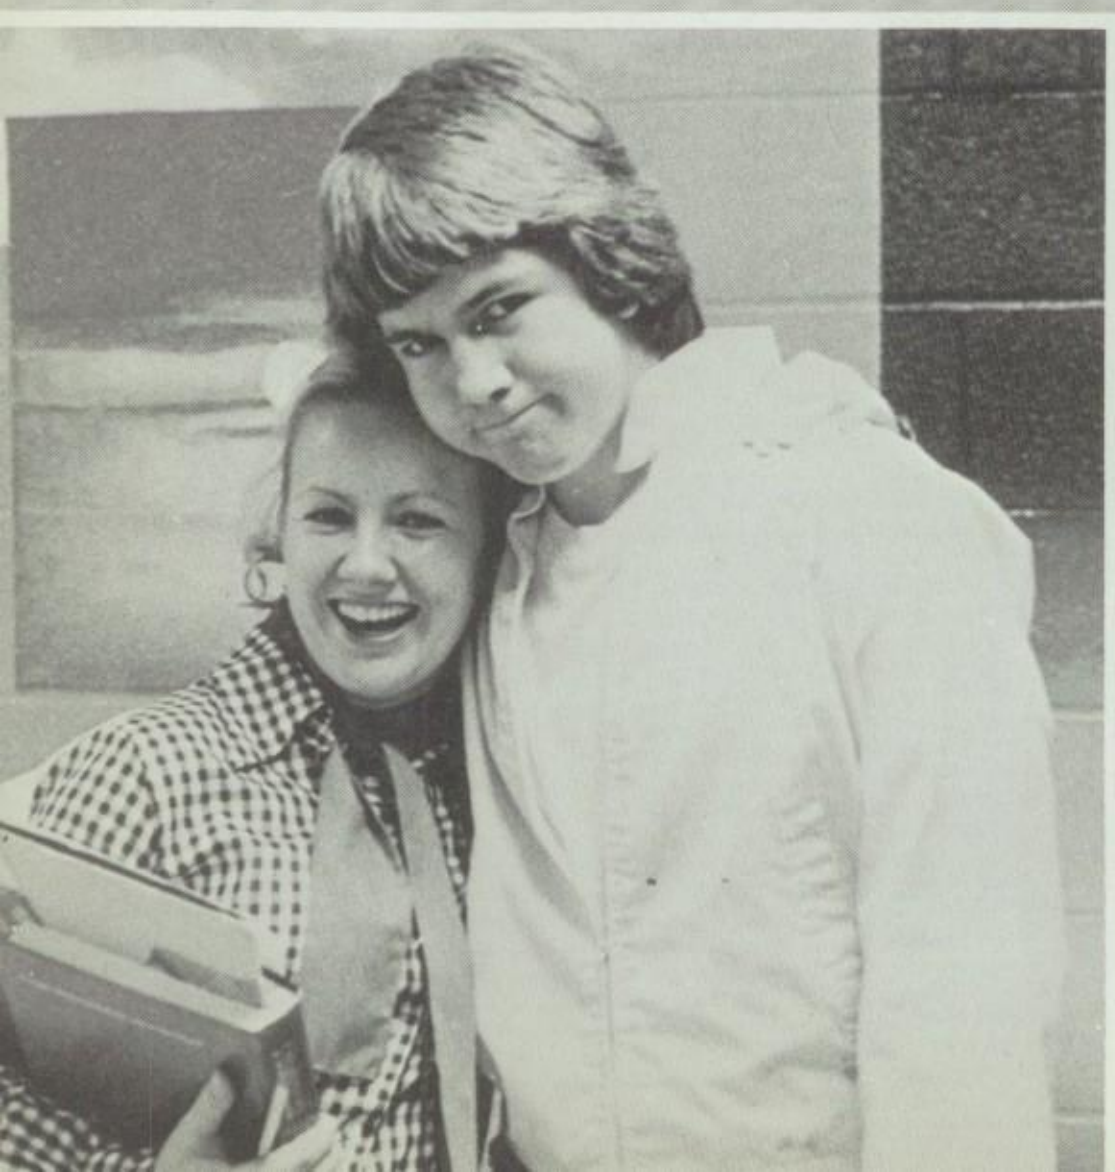
Keep your face to the sunshine and you cannot see the shadow

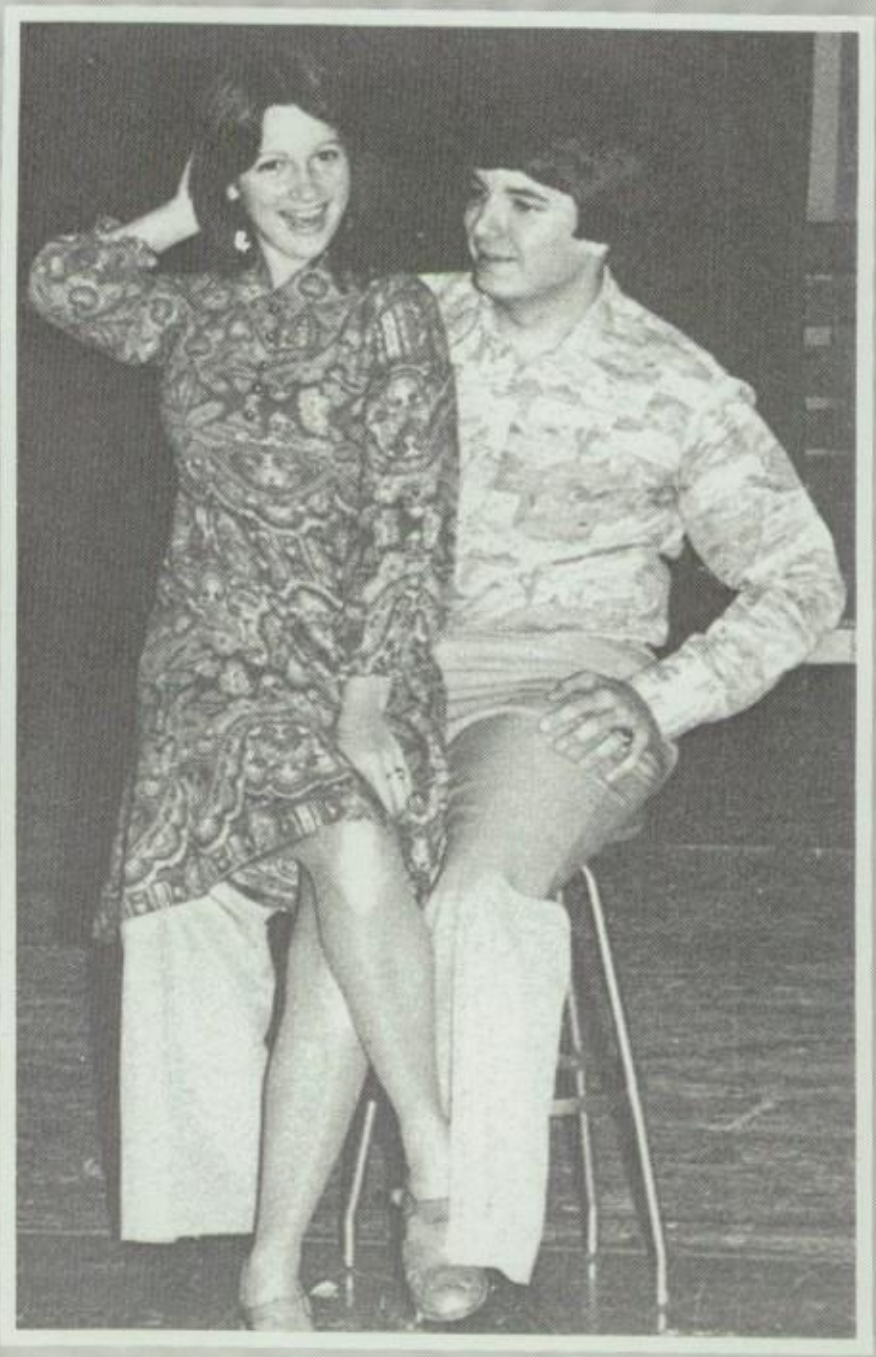


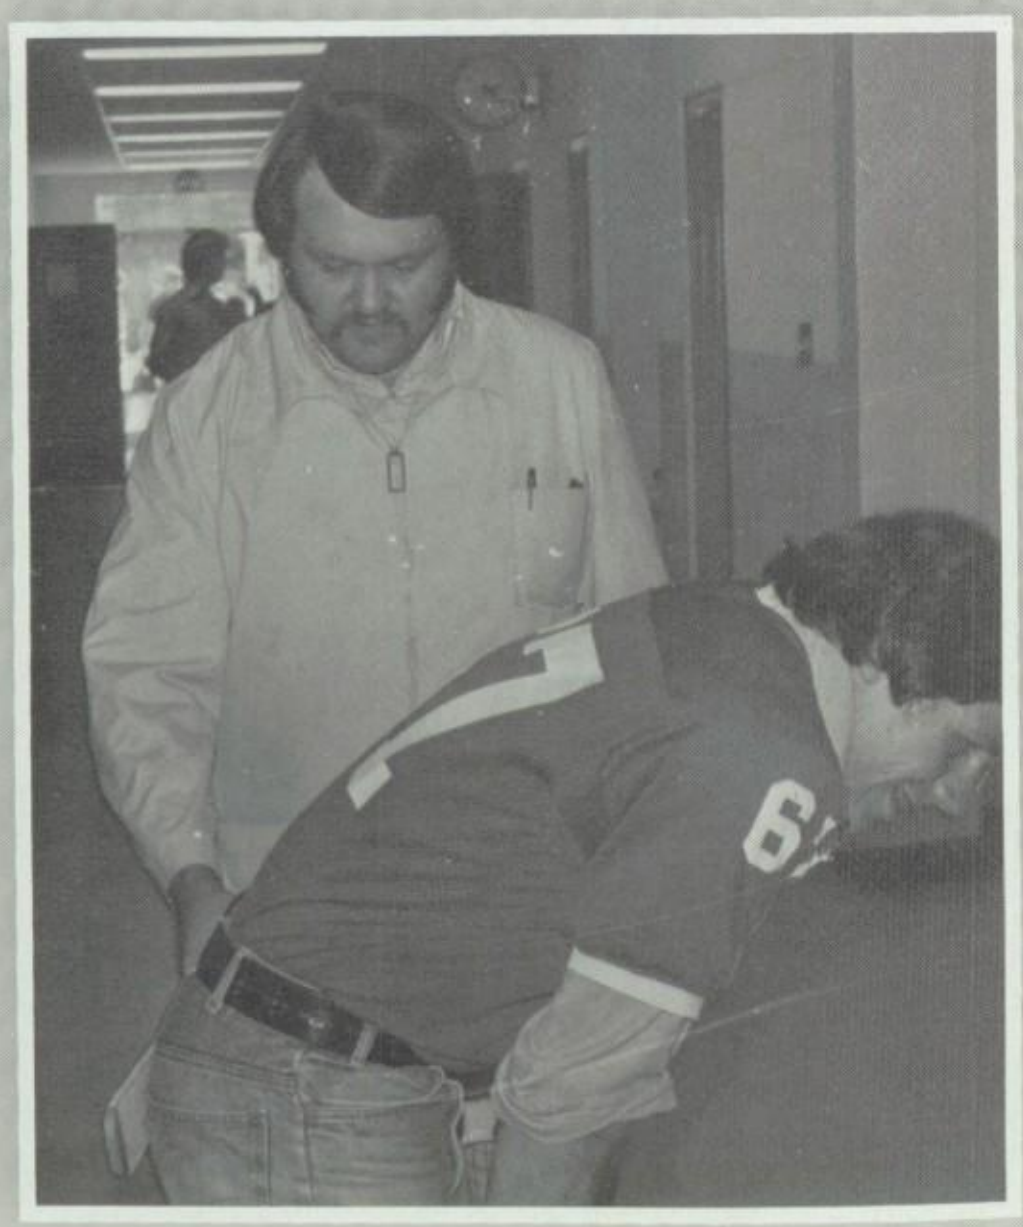


Don't walk in front of me-I may not follow.
Don't walk behind me-I may not lead.
Walk beside me-And just be my friend.

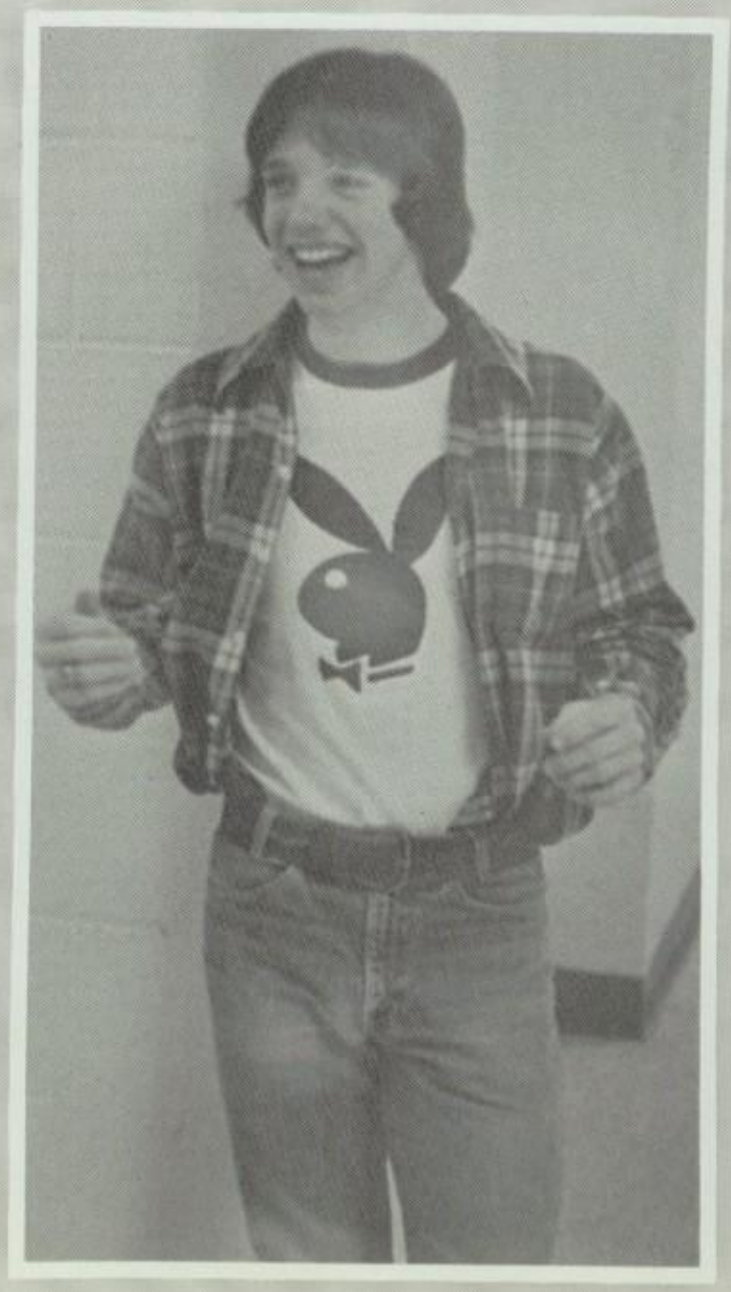
Laughter is the music of the soul







Sharing is the symbol, the expression of tenderness and concern



Farewell

I hope you find the answers to your questions
I hope you find whatever you're searching for
Never cast aside the dreams you cherish
Put God first and draw closer to the Lord

Hold on to that Knowledge of your Creator
For in it, you know exactly why you're here
Always seek the ways to make it stronger
Perhaps one day you'll find out who you are

Live your life in peacefulness and solitude
Ever-mindful of your Father up above
Be true to yourself and have no fear of men
As you grow older, grow in joy and love

May we be united in our thoughts and prayers
May our mutual love all barriers transcend
That, along with our eternal memories,
Will bind us, should we never meet again.

Bill,
It's really funny cause at first I used to just kid you about having a deep mississippi voice. But now that I've gotten to know you better, I've found that you're really a funny guy, and a good friend. Well, This summer don't miss too many jugs, and give B.G. my regards. See ya next year, and Good-luck in everything you do.

Waylon!

It has been a rewarding experience knowing you. I feel that we have really grown close, especially after the German convention. I have memories of singing "She's a Good Hearted Woman" at 11:00 P.M. on the street of Knoxville, getting blasted by a fire extinguisher, and walking around with knives down the dark streets looking for Penn. Good luck in German III, you'll need it. I'm glad that you are my friend and a person on at that. You are a great person with a great future. May you always find happiness in life. Keep in touch for good friends are to be kept.
